The Board of Directors requires that all applicants be juried prior to contract acceptance. Applications will be juried so that a varied representation of crafts will be available and that top quality will be maintained. High quality, original work is mandatory. Each season of operation for the Farmers Market will be juried separately. Therefore, the market while accepting you for the summer season may not be able to accommodate you for our winter season, depending upon availability of spaces and/or need for your particular craft. The decision of the jurying committee is final.

Only bonafide growers and producers of related agricultural products are permitted to sell through this market. **There shall be no imported items.** Craft items sold at the market are to be produced by yourself or by a local craft person.

Carefully read the application before signing and returning. We require that clear photos of your crafts (minimum 2 photos) be submitted with your fully completed application. Please be sure to affix adequate postage on your envelope when you return your photos and application. If you plan on selling baked goods or produce, photos need not be submitted.

Please return your application, photos (if applicable) and a self-addressed stamped envelope to:
